

COPY OF LETTER RECEIVED FROM:

The Surveyors,

Buenos Aires.

11th September, 1951.

Received 17th September, 1951.

San Antonio

Sir,

Further to our letter of the 27th June 1951, and your
of the 14th July last, regarding the classification of
tankers built or building at Cammell Laird & Co., we
pleasure to inform you, that at a further interview
today at the offices of Yacimientos Petroliferos Fiscales,
were informed of their decision to retain the classification
of the following additional vessels built or being built
follows:-

"Islas Malvinas", "Islas Orcadas", "Islas Georgias",
rector Madariaga", "La Plata", "San Lorenzo", and
"odoro Rivadavia".

It is also the Owners intention to reclass the M.T.
"n Jose", and we shall be advised in due course of the date
vessel is being drydocked, so that the Special Survey can
carried out with a view to reclassification.

A translation of the letter which was handed to us by
Y.P.F. confirming above, is enclosed herewith.
