Dear Sirs,

The new Italian Owner of the above named vessel has called here this afternoon stating he hopes to take the ship over tomorrow after inspection in dry dock at your port.

He anticipates that the usual interim certificate will be issued by you following your survey, but he has requested a final certificate from this Office after the report has been submitted to the Committee.

It will therefore be appreciated if you will expedite the preparation and despatch of your reports when the survey is finished.

Yours faithfully,
