Dear Sir,

S.S. "BONITA"

With reference to my First Entry Report No.3178 on the hull of the above vessel I beg to inform you that I am sorry I have made a mistake in this report as I have stated on page 3 that a layer of cement has been fitted in way of bottom plates in forehold, whereas no cement has been fitted, but the bottom plating has been well painted.

I am, Dear Sir
Yours faithfully

S. A. Ride.

Surveyor to Lloyd's Register.
