Dear Sirs,

"DEGEI II"

This is to certify that the motor vessel "Degei II" has today been inspected and undergone trials and has been taken over by the Public Works Department, Fiji, as satisfactory in all respects save the following as agreed with the Master, Captain Verrall:-

- (a) Deck head over wheelhouse to be re-decked with oregon timber and caulked.
- (b) Broken port side gipsy on windlass to be renewed.
- (c) Both galley funnels to be fitted with new T shaped outlets.
- (d) Damaged davits on port and starboard sides to be repaired.

2. It was further agreed with Captain Verrall that these repairs would be carried out by the Public Works Department at your cost.

Yours faithfully,

(Signed)

J.P.BARRON

Acting Director of Public Works.
