QUESTION

ANSWER

With reference to the  
"Steam Pipes Survey, which  
became due at the end of  
December, I shall be glad  
to learn what arrangements  
are proposed to be made for  
this inspection to be carried  
out.

The Screwshaft Survey  
will become due at the end  
of May and the Owner's  
intentions regarding this  
inspection will also be  
appreciated.

Date:— 16th April, 1963

We are advised by the Owners in Tokyo  
that the vessel will drydock at Mitsubishi  
Kobe Shipyard in the middle of June next  
and the surveys in question will be carried  
out at that time.
