and

Sir,

H.M. Tug JAUNTY - Lloyd's Machinery Certificate

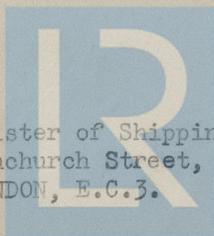

I am commanded by My Lords Commissioners of the Admiralty to refer to your letters Classn. (S) dated 17th February, 1960, and Classn. (H) dated 21st March, 1960, and to return the above mentioned certificate as requested.

2. H.M. Tug JANUTY is in operational reserve at Pembroke Dock and it is proposed, therefore, that the outstanding items on the machinery survey should be deferred until the vessel is next refitted or brought forward for service, which ever is the earlier. I am to request that the concurrence of the Classification Committee to this arrangement may be obtained.

I am, Sir,
Your obedient Servant,

W.R. Darracott
