"SAN MARU" 10578. As recommended. With reference to your letter of the 5th February last regarding the emergency air compressor, it is concluded that this item has now been dealt with, but your confirmation is desired. If necessary an amended Interim Certificate should be issued deleting the condition of class regarding this compressor, and a copy forwarded to this Office.

10356. "SHIGAMARU" As recommended, except that assignment of Special Survey and Continuous Survey notations have been deferred pending the receipt of your later report regarding the completion of the Continuous Survey. In this respect I acknowledge receipt of your letter of the 28th July.
