

3rd November, 1949.

Dear Sirs,

I have to acquaint you that a communication has recently been received from the Society's Surveyor at Yokohama enclosing a copy of a Form of Request received from the Mitsui Steamship Co., Ltd., for the reclassification of the Motorship "ARIMASAN MARU".

In order that this request may receive consideration I shall be glad if you will forward the plans of hull and machinery together with the report books.

Yours faithfully,

Clerk to the Classification
Committee.
