The First Special Survey No.1 became due on this Admiralty Dredger in June last, and in reply to an enquiry the Secretary of the Admiralty now states that it is not desired to maintain the classification of this vessel in the Society's Register Book, and in the circumstances the Classing Committee, who had the case before them on Friday, 19th instant, decided to give instructions for the character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
