4th August, 1927.

Dear Sir,

Reverting to my letter of the 26th ultimo respecting your Steamer "EVERMORE", I beg to acquaint you that the case came before the Meeting of the General Committee of this Society to-day to whom the facts were reported, and it has been decided to expunge the vessel's class from the Register Book with a red line, indicating non-compliance with the Society's Rule.

I am, Dear Sir,

Yours faithfully,
