26th July, 1927.

Dear Sir,

S. Reverting to my letter of the 5th instant respecting your Steamer "EVERMOR", I beg to acquaint you that the Committee have to-day had under consideration communications received from the Society's Surveyors, from which it would appear that it is not your intention to maintain the classification of this vessel in the Society's Register Book.

In the circumstances, the Committee have given instructions for the vessel's class to be expunged from the Register Book.

I am, Dear Sir,

Yours faithfully,
