Dear Sir,

S. I duly received your cablegram of the 5th instant in further reference to the case of the steamer "ISONOMIA", and in confirmation of my cabled reply I am directed to acquaint you that the Committee much regret that they are unable to accede to the Owner's request to be allowed to submit the vessel to the Third Special Survey No.1 at your port without your being joined by Mr. Bulow.

In the circumstances, I cabled this decision to you, and have to say that a Senior Exclusive Surveyor must join you in the survey.

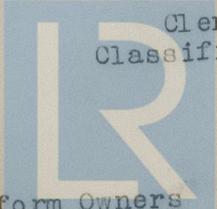

I now await the receipt of further information as to what course the Owner proposes taking in the matter.

I am, Dear Sir,

Yours faithfully,

E. Buchholz, Esq.,

RIGA.

 Clerk to the  
Classification Committee.
