5th July, 1927.

Dear Sir,

In confirmation of the cablegrams which have passed between us to-day respecting the Third Special Survey No.1 of the steamer "ISONOMIA", I beg to acquaint you that your request that this inspection might be carried out by the Society's Surveyor at Riga without his being joined by Mr. Bulow, has been very carefully considered, but in view of the age and condition of the vessel, the Committee regret that they must adhere to their previous decision that Mr. Bulow shall join Mr. Buchholz in the inspection, with a view to the continuance of her class.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

F. Grauds, Esq.,
