Dear Sir,

With reference to your report No.999 on the Steamer "EMPEROR OF HAVANA" I have to acquaint you that I am in receipt of a communication from the Canada Cuba Line, stating that they have written to you on two occasions requesting you to supply them with a report on this case. They point out that they have received no reply to their enquiry, and have therefore asked that a copy of your report might be forwarded to them. This has now been done, but I must remind you that any communications received from Owners, which require a reply, should be promptly dealt with.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

C.B.Nelson, Esq.,  
MANILLA.
