30th December, 1926.

Dear Sirs,

H.

I have to acquaint you that the Society's Surveyor at Dublin reported last month that repairs were required to the deck over accommodation, deck fittings etc., of the steamer "EMPEROR OF HAVANA" on account of damage through heavy weather.

The steamer is proceeding to Japan and it is understood that she has been sold to Japanese Owners. In the circumstances I shall be glad if you will ascertain and let me know the name and address of the new Owners together with their intentions in regard to the above mentioned repairs and the Boiler Survey which became due last month.

I am, Dear Sirs,

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

KOBE.
