This vessel became due for Annual Boiler Survey
in November last. She has recently been sold to Japanese
Owners, who have informed the Society's Surveyors at Kobe that
it is not their desire to maintain her in the Society's
Classification.

In the circumstances the Classing Committee, who
had the case before them on Tuesday, 12th instant, decided to
give instructions for the vessel's character to be withdrawn
from the Register Book and three dots (...) inserted in lieu
thereof, indicating withdrawal of class at Owners' request.
