S.S. "DAVID C. REID" ex "SILVERBROOK".

FOUND

Electric wiring and pipe conduit carried away on Starboard side trunk deck.

Galley stove funnel carried away.

Steam pipe covers on deck started from fastenings.

Main steam pipe from Starboard boiler broken at flange.

Spur wheel with attached spindle of Telemotor gear on bridge, broken.

RECOMMENDED

To be renewed.

To be renewed and fitted.

To be refastened.

Pipe to be renewed, tested and fitted.

To be renewed.

All removals necessary to carry out the above repairs to be replaced in order.

The above recommendations have now been satisfactorily carried out.

NOTE :- It was further stated that, during the typhoon, four drums containing lubricating oil and three empty drums were washed overboard, also that the Engineers of the vessel had renewed eight lengths of 3½" deck exhaust pipes which had been damaged, pipes being used from vessel's spare gear.
