Dear Sir,

We thank you for your communication of the 4th instant, from which we note with appreciation that the Classification Committee are agreeable to six months period of grace in respect of the Special Survey for the above named vessel.

In regard to the necessity of having to carry out the Annual Classification Survey and Load Line Survey before the 4th March next, we beg to advise that we have written to our parent Company, The General Steam Navigation Co. Ltd., London, who have the vessel on Time Charter, running regularly between the Thames and the Continent, asking them to be good enough to contact the Society with a view to carrying out these Surveys at the earliest convenient date, when the vessel is in London.

Thanking you,

Yours faithfully,

(Signed)
