Dear Sirs,

"HELEN SEABRIGHT"

I beg to acknowledge the receipt of your letter of the 24th ultimo, and with regard thereto I have to inform you that it will be in order for the Special Survey of this vessel to be postponed for six months as desired, provided the Annual Classification Survey now due is carried out. You will appreciate in this connection that the period of grace allowed in accordance with the Ministry of Transport Regulations for the Annual Load Line Survey will expire on the 4th March next, and this survey, together with the additional requirements of the Annual Classification Survey should accordingly be taken in hand before that date. I shall be obliged if you will kindly let me know what arrangements will be made for this to be done.

Yours faithfully,

pro Secretary.
