Dear Sir,

m.v. "HELEN SEABRIGHT".

Referring to your communication of the 24th October last, in which you advised us that the Special Survey and Annual Classification Survey of the above named vessel falls due in December/49, we would be obliged to learn if the Classification Committee would be good enough to grant us six months extension from this date, owing to the vessel being on Time Charter, as it would seriously inconvenience us should the vessel have to be withdrawn at the present moment.

We should like to mention that the vessel was withdrawn in July 1949, for Drydocking and thorough overhaul of both Hull and Machinery, same being carried out to the satisfaction of the Society's District Surveyor, Mr. H.Y. Bell.

Thanking you in anticipation of a favourable reply.

? for SS

Yours faithfully,

THE GREAT YARMOUTH SHIPPING CO. LTD.
