With reference to my letter of the 31st July addressed to the Owners, a copy of which was forwarded to you, I shall be glad to learn what arrangements have been made for the Special Survey to be carried out by the end of the present month.

At the same time I shall be glad to learn what arrangements are proposed to complete the Main Boiler Survey by the examination of the port boiler throughout, the adjustment of the safety valves of the port and starboard boilers, and the examination of the port oil burning system and remote controls.

Yours faithfully,

Clerk to the
