The Secretary,
LONDON.

Dear Sir,

S.S. "FERNANDO".

We are in receipt of your classing letter dated 27th ultimo relating to Gothenburg Report No.26809 on the above named vessel, and would confirm that the A.P. tank and the space under the engine and boilers were examined at this time. It is regretted that this was not made clear in the report.

Yours faithfully,
THE SURVEYORS, Gothenburg

REPORTS

[Handwritten signatures]

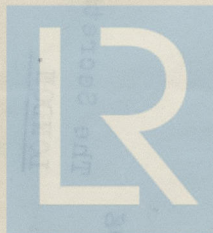

THE ASSOCIATIONS, Copenhagen

Yours respectfully,

in the report.
at this time. It is suggested that this was not very clear
and the above might be entered and perhaps more explained
some other way, but would confirm that the V.B. tank,
also putting reference to Copenhagen Report No. 2800 on the

as the in receipt of your clearing letter dated
22. 11. 1961.
