Dear Sirs,

Steamer "BORGFRED"

With reference to your letter of the 7th instant, I have pleasure in enclosing copies of the report of survey (No.57475) carried out by this Society's Surveyors at Cardiff in September/October, 1951, together with the relevant Interim Certificates on hull and machinery, dated 23.10.51, which show the classification position at that time.

Copies of hull and machinery Interim Certificates, dated 11.11.51 are also enclosed, but I would point out that at that time, the Committee continued the vessel's class subject also to the LP cylinder repair being examined before the end of March, 1952.

An account for £4 4s. 0d to cover the cost of the above copies is also enclosed, and I shall be glad to receive settlement in due course.

Yours faithfully,

Assistant Clerk to the  
Classification Committee.
