Dear Sirs,

Steamer "OTTO BLUMENFELD"

Classn (S)

Reverting to your memorandum of the 10th April, a report of the survey which was carried out at Schiedam in April last has now been received from the Rotterdam Surveyors, from which it is noted that a satisfactory General Examination was carried out in drydock and the Boiler Survey held.

As a result of this inspection the Committee have agreed to the proposal to postpone the Special Survey until March, 1957, and I shall be glad if you will inform the Owners accordingly.

A record of drydocking 4,56 and notation of BS 4,56 have been assigned.

Yours faithfully,

pro Clerk to the
Classification Committee.

The Surveyors,
HAMBURG.
