Dear Sirs,

I am in receipt of your letter of the 16th instant respecting the "MARINIER" and "MARLEEN", and note that the Netherlands Authorities will issue a Certificate for zone "P" to this vessel when the 2<sup>nd</sup> hatch covers and the reverse frames have been fitted.

As there are no particulars in this office of the various zones recognised by the Netherlands Authorities, I shall be glad if you will forward details of these zones.

Yours faithfully,

pro Secretary.
