Dear Sir,

With reference to your letter of the 25th February I am forwarding under separate cover for your consideration a new proposal, in duplicate, for lengthening the vessel.

You will observe that the well deck has now been raised to the level of the Raised Quarter deck.

Builders requested us to let them know the new draught and equipment.

I shall be glad if you will kindly return one copy of the plan to this Office when dealt with at your earliest convenience.

Yours faithfully,
