RECEIVED

3 - OCT 1960

And 10.10 (P/C)

Dear Sir,

S.S. "DANAE"

With reference to your letter of the 6th instant regarding outstanding fees for above vessel we have to inform you that the fees have now been received and the Suez Surveyors have been advised accordingly.

The owner stated that his funds in this country were under control of National Bank of Greece and this has been verified by the fact that fees were received direct from the Bank.

The owner has also been informed that no Interim Certificates will be handed over by Suez Surveyors until fees for any surveys carried out at that Port are paid and he states there will be no difficulty in this respect as he has ample funds in Egypt and it is for this reason the vessel will be surveyed at Suez.

Yours faithfully,

The Secretary,
London.
