Gen. (S)  
B/HMJ

Dear Sirs,

Steamer "DANAE"

Reverting to my letter of the 27th ultimo respecting this ship, I have to inform you that the report of the General Examination held afloat at Malmo this month has come to hand.

To complete the General Examination the ship requires to be seen in drydock and the fore and after peak tanks internally examined, and the Committee have agreed to this work being deferred provided it is carried out by the end of next month.

No General Examination of the machinery was held by the Malmo Surveyors, and I shall be glad if you will arrange with the Owners for this to receive attention when the ship is drydocked next month.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
PIRAEUS.
