The first four T2 tankers definitely assigned to this Company are the "ROGUE RIVER", "COTTONWOOD CREEK", "RED BANK" and "FORT STEVENS", for which I enclose signed Survey Request forms herewith.

The first mentioned vessel will be drydocked probably at Portland, Oregon, on the 3rd proximo, and the other three will be drydocking shortly thereafter at an East Coast port or ports.

It is the Owners' intention to commence the classification surveys here and to complete the full survey in the United Kingdom.

Yours faithfully,
