QUESTION.

ANSWER.

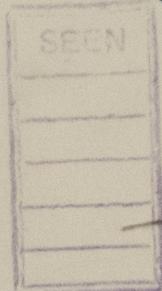

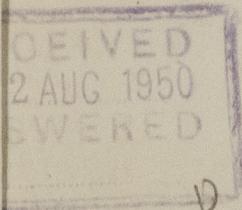

This vessel is now owned by the Australian Whaling Commission and I shall therefore be glad if you will ascertain, and let me know what arrangements are proposed to be made for the undermentioned surveys to be carried out:-

Special Survey due 10,50
Annual Load Line Survey due 11.10.50
Boiler Survey due 9,50.

Date:- 16th October, 1950.

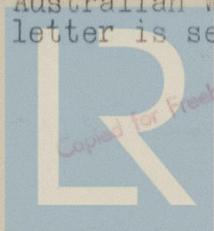

We have been in communication with Mr. W.G. Davies, of Fremantle, who advises that it is the Owners intention to carry out these surveys on the vessels return from the Whaling Grounds up North about the end of October, or early November, 1950.

We think it well to enclose also a copy of Mr. Davies letter in connection with this matter and which refers to other vessels owned by the Australian Whaling Commission. The letter is self-explanatory.
