Dear Sirs,

Re.: Tank Storage Ship "Liss"

Your letter of October 11th addressed to Det Norske Oljekonsum in Fredrikstad has been handed over to us as being the Owners of the above named tanker.

This tankship has been used by us as a storage ship since 1953 and was deleted from your register book the same year, except for the starboard boiler, which has been remained classed.

Our intention is to place the ship in Glomma between Fredrikstad and Sarpsborg as a storage ship and we wish still to have the starboard boiler classified.

We will as soon as possible get in touch with your officials in Norway in order to have the boiler finally inspected.

Yours faithfully,
