Gothenburg, 12th June, 1939.

The Secretary,

LONDON.

Dear Sir,

In reply to the enquiry contained in your classing letter dated the 9th instant respecting the case of the m.s. "LISS", Gothenburg report No.11211, I beg to state that, in my opinion, the Owners' proposal to postpone the drydocking until September next, merits the favourable consideration of the Committee.

The Society's Surveyors at Oslo have been advised accordingly.

I am, Dear Sir,

Yours faithfully,

H. Giering
