Dear Sir,

*Ans.* .....

With reference to Dundee First Entry Report No. 9825 on the steamer "EDDYBEACH", I have to state that the weight of the stock of the stream anchor is below the minimum required by the Rules. The Surveyor has stated, however, in reply to enquiry, that the anchors for this ship were supplied by the Admiralty, and it is a matter for consideration, therefore, whether in the circumstances the stream anchor could be accepted.

Yours faithfully,

*W. H. Miller*

Secretary to the  
Scottish Committee.
