LLOYD'S REGISTER OF SHIPPING

UNITED WITH THE BRITISH CORPORATION REGISTER

Port DUNDEE.

7th December, 1951.

This is to Certify that

J. McLaren, H.K. Taylor, R.W. Skinner, S. Johnson & J.M. Gardiner,

the undersigned Surveyors to this Society did at the request of the Admiralty, survey during construction, the engines, boilers and electrical equipment of the R.F.A. "EDDYBEACH", Yard No. 474, built by Messrs. Caledon Shipbuilding and Engineering Co. Ltd., Dundee.

The engines, boilers and electrical equipment have been built and installed under Special Survey, in accordance with the requirements of the Rules of this Society, the approved plans, and the requirements of the "AS Fitted" Specification.

The workmanship and materials used, are so far as can be seen, good.

On completion, the machinery and boilers were tested under working conditions during basin and sea trials and found satisfactory.

The Domestic Refrigerating machinery has been examined during installation and subsequently tested under working conditions, on behalf of the Admiralty, and all found satisfactory.

The undersigned will recommend that the machinery be accepted for class, with this Society, for record of *LMC.

Engineer Surveyor to
Lloyd's Register. (Sgd.) R. W. Skinner.

Electrical Surveyor
to Lloyd's Register. (Sgd.) J. M. Gardiner.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
