The Secretary
LONDON.

Dear Sir,

With reference to your Classing Letter of the 14th instant regarding the "CANADIAN OBSERVER" I have to advise you that the Owners themselves are not in a position to state when the Special Survey and repairs will be completed.

As previously intimated this vessel is strike-bound at Halifax, and it is therefore not possible for work to be carried out on her at this time.

As soon as the strike is settled the Owners fully intend to deal with all outstanding items, but to date it is impossible to state when it is anticipated the strike will end.

Yours very truly,

A. H. D. Riddell
Principal Surveyor for Canada
