Stockholm,

Årlig besiktning utförd och fartyget befunnet  
uppfylla tillämpliga bestämmelser i Konventionen.

*Henrik Palmé*

Oskarshamn.

2.2.43

No material alterations have taken place in the hull and super-  
structures of the ship which affect the calculation of freeboards.  
The fittings and appliances for the protection of openings,  
freeing ports, guard rails and means of access to Crew's quarters  
are in satisfactory condition.

CLOSING APPLIANCES:-

Forecastle and poop bulkheads:-

Hinged steel doors.

Kr. 40:00
