INTERNATIONAL CONVENTION 1930 RESPECTING
LOAD LINES.

RENEWAL SURVEY IN ACCORDANCE WITH
ART. 14 OF THE CONVENTION.

(Port) of Stockholm,

(Date) 14th June, 1946.

I have to report that I have surveyed the steel sc.
"WESTBRIS", of Stockholm O.N. 8117
dated the 13th June, 1946.

I have compared the arrangements on board the ship with
given in the original freeboard report and I have found them to be
in agreement therewith or equivalent thereto, and the whole to be in efficient

This survey was carried out while the vessel was
at Stockholm for Special Survey.

A fresh notation of ss Skm. with date, will be
added.

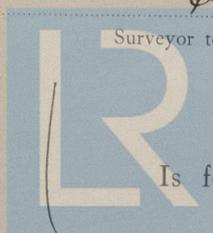

The vessel assigned the notation of ss Lkr. No. 1-42
Register Book.

The freeboard marking has been verified and found to agree
with freeboards given on certificate No. - dated Got. 19.6.45,

returned herewith.
