20th October, 1958.

Dear Sir,

United States Government Reserve Fleet

With reference to my letter of the 28th February, 1955, and to Mr. Robert's letter dated the 17th March, 1955, and so subsequent correspondence, the particulars of these vessels' classification is again being reviewed in connection with the reprint of the Register Book next year. I shall be glad if you will ascertain and let me know whether these vessels, as listed below, remain laid up, and in view of the further lapse of time it will be appreciated, if you will again express your opinion as to whether the classification particulars might be omitted from the 1959/60 Register Book.

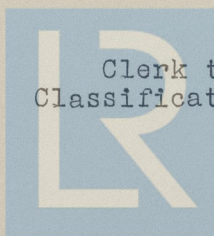

An early reply will be appreciated.
