Dear Sirs,

Motorship "BAT GALIN"

The case of this ship which is recorded in the Register Book with the notation "Surveys overdue 3.55" has been reviewed in connection with the next reprint of the Register Book.

In view of the fact that the ship became due for Special Survey in March, 1955, (the last recorded date of Special Survey being 3.51) and that no information is available as to the intentions in regard to carrying out this and other overdue surveys, it has been decided that the ship's class should be omitted from the next reprint of the Register Book and that a notation of "Classed LR until 6.57" be recorded in lieu thereof.

Yours faithfully,

c.c. Haifa.
c.c. Publications Department.

Clerk to the
Classification Committee.

The Surveyors,
SULEZ.
