Dear Sirs,

Motorship "EL KARIM"

I duly received your letter of the 15th February, enclosing a report of survey carried out by a Surveyor appointed by you, the contents of which have been noted, and would thank you for your attention in this matter.

As a result of this inspection, the ship's class has been made subject to 60 fathoms of worn chain cable on board being renewed as soon as possible. I shall be obliged if you will kindly inform the Owners accordingly, and ascertain what arrangements they propose to make to renew this chain cable, as this is considered to be a matter of urgency.

Yours faithfully,

Assistant Clerk to the
Classification Committee.
