Cie. Marocaine de Transports Maritimes,

CASABLANCA, 26th March, 1948.

Messrs. L. Barber, Ltd.,  
CASABLANCA.

Dear Sirs,

m.v. "EL KARIM."

We beg to inform you that our vessel returned to  
Medala from the repair yards on the 21st instant, at 1 p.m.

The vessel has on board temporary hull and machinery  
certificates issued by Lloyd's Register Surveyors at Bordeaux and  
Amsterdam, also a temporary freeboard certificate.

With a view to enabling us to have the question of  
the classification and registration with the Moroccan Authorities  
settled, we shall be glad to receive the final certificates. In  
this connection, your local Surveyor might like to pay a visit to  
the vessel, and to examine the above-mentioned documents.

Yours faithfully,

(s) illegible.
