Dear Sir,

Re: s/t "MERKURY".

With reference to your letter dated 12th November, Classn.(H), and our No.13507 of the 14th ultimo, we regret to inform you that, so far, we have had no reply from the Central Board of the Polish Merchant Marine regarding the outstanding surveys of this trawler.

We have since heard that this trawler is being managed by the "Dalmor" Deep Sea Fishing Co., Gdynia.

We have again reminded our Principals about this matter and hope to be in a position to write you soon.

Yours faithfully,
GDYNIA AMERICA SHIPPING LINES (LONDON) LTD.

J. S. S. S.

Manager.
