Dear Sirs,

n.(H).

S.Tlr."MERKURY"

I shall be obliged if you will kindly let me know what arrangements you propose making to carry out the Boiler Survey, which became due at the end of August last.

I take this opportunity to remind you that although the Society's Rules require classed ships to be examined in drydock at intervals of approximately one year, the last examination in drydock of this vessel, according to the records in this Office, was held in July 1952, and I shall also be glad to learn when it is anticipated the next slipping of the vessel will take place.

Yours faithfully,

Clerk to the
Classification Committee.
