Last Report: No. 135648

Port LON

To be filled in at Head Office.

Particulars of Classification (which must be inserted precisely as in Register Book and Supplement)

SHIP'S CLASS  
Date of Special and of Drydocking Surveys, etc. Machinery

Surveys must be reported in the terms of the Rules. The nature and extent of Examinations and Repairs (if any) must be stated in detail, the parts examined and their condition being clearly indicated. For Annual, Special or other Condition Surveys the Summary of Examination and Condition on the back of the Report is to be carefully completed and amplified if necessary in the body of the Report. Outstanding items to complete the Survey should be summarised at the end of the Report. The reasons for Repairs must be stated. Repairs on account of Damage (the alleged cause of which must be stated) should be separated from Repairs due to other causes, and, besides being detailed in the body of the Report, should be summarised in the form below. When, at a Special Survey, the Shell and Deck Plating is drilled the results must be reported on Report 8(Dr). Whenever Anchors or Chain Cables are replaced or retested the necessary particulars are to be given on Report 8(Eq) which is to be attached to this Report.

Was a damage report made by anyone else? If so, by whom?

EXAMINATION AND REPAIRS AS PER RULE FOR

CONTINUATION OVER/OR SHEET 2

| SUMMARY OF DAMAGE REPAIRS      | Shell Plates | Frames | R. Frames | Floors and Bracket Floors | Inner Bottom Plates | Deck Plates | Beams | Other Items |
|--------------------------------|--------------|--------|-----------|---------------------------|---------------------|-------------|-------|-------------|
| Renewed                        |              |        |           |                           |                     |             |       |             |
| Removed and Faired or Repaired |              |        |           |                           |                     |             |       |             |
| Faired or Repaired in place    |              |        |           |                           |                     |             |       |             |

Has a Survey also been held on machinery of the Ship?

Is Classification Certificate required? If so, to be sent to

If so, is the Report sent now, or when will it be sent?

Has Interim Certificate been issued?

GENERAL OBSERVATIONS, OPINION AND RECOMMENDATION AS TO CLASS

State clearly what alteration, if any, is suggested to be made in the existing Classification or Survey or other records of the Ship in the Register Book consequent upon this survey; for example:—"to remain as Classed in the Register Book without fresh record of Docking"; "to remain as Classed and to have record of drydocking 1,55"; or "to remain as Classed and to have record of drydocking 1,55, and the notation of S.S. . . . 1,55".
