29th July 1920.

Dear Sirs,

With reference to your letter of the 26th instant and mine of the 27th regarding the steamer "WAR ILLIAD". I have to state that if the hand steering gear is fitted in addition to the means of steering by wire rope tackle led to the after winch the same will be approved, as in the case of the sister vessel, S.S. "WAR PICTURE".

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

CARDIFF.
