REC'D 24 JUL 1920

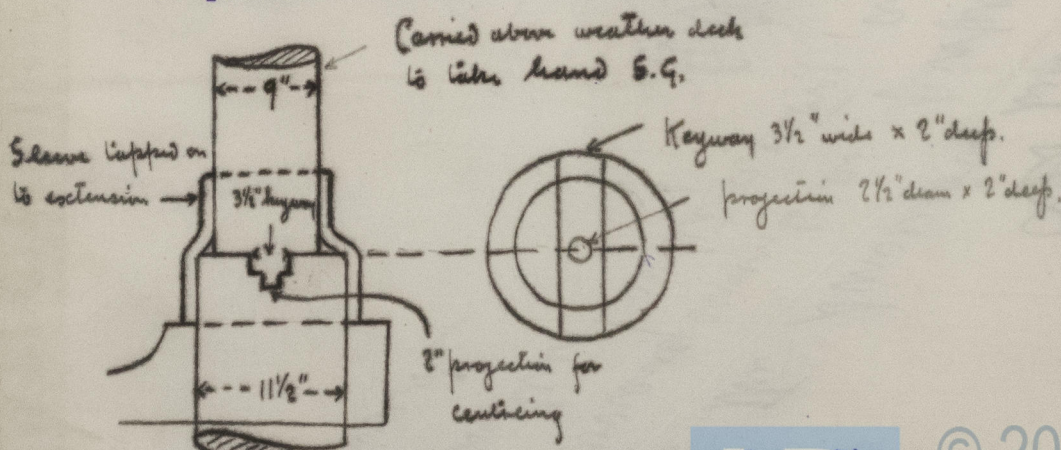

ANS'D 24

Dear Sir,

The "N" type steamer "WAR ILLIAD" (29948 in Register Book) is at present in Cardiff and the Owners are about to fit a hand steering gear.

The proposed arrangement is to key an extension of nine inch diameter on to the present rudder head of eleven and a half inches, as indicated below.

Being unable to ascertain whether the arrangement has been previously approved for this type of vessel, we should be pleased to learn if it is in order.

The Secretary,
LONDON.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,

Alexander Brown.
