18th June, 1924.

Dear Sir,

M.

I have to inform you that the Steel Tug "CAIRNROCK" built by Messrs. T. Van Duyvendijk's Scheepswerf, Lekkerkerk, Holland, has proceeded to Great Yarmouth for the installation of machinery and boilers.

To complete the survey the following remains to be done:- The engine & boiler casings to be riveted and caulked, and a report on form 8 to be forwarded when all the work is finished, with a view to the classification of the vessel in the Register Book.

I shall be glad if you will give the case the necessary attention.

I am, Dear Sir,

Yours faithfully,

Mr. A. E. Farminer,

IPSWICH.

Secretary.
