13th February, 1930.

Dear Sir,

S.

I duly received your letter of the 7th instant respecting the case of the steamer "VENDEMIARE", and may say that from a communication which has come to hand this morning from the Society's Surveyors at Hamburg it would appear that the original First Entry Certificates for this vessel were handed by them to the Builders on the 26th September last, and these certificates should have reached the Owners soon afterwards.

The Surveyors add that the certified copies of the certificates for the hull and machinery, which were forwarded on the 6th instant, were handed over to the Master as desired so that the case is now in order.

I am, Dear Sir,

Yours faithfully,

E.L.M. Poincet, Esq.,
