

Lloyd's Register of Shipping,

3, Steinhoeft,

Hamburg, 3rd July 1929.

Dear Mr. Scott.

In connection with the registration of the oil tanker "VENDEMAIRE" Messrs. Deutsche Werft No 119. I was requested by Messrs Norms & Cie. Hamburg. on behalf of the French Consul to attend at Messrs Norms' offices and subsequently to go on board with the Owner and two experts, one a French Captain, the other a Marine Engineer in order that the various documents relative to the registration as a French ship might be completed.

For the services rendered each member of the commission was paid by Messrs Norms & Cie a fee of 50 marks. I shall be glad to be informed how the amount is to be accounted for in the Society's records & accounts. Messrs Norms & Cie Hamburg are the local representatives of the owners. I am, Dear Sir,
Yours faithfully
a Chisholm

A Scott Esq.
