Dear Sirs,

With reference to my letter of the 16th January last respecting the navigation lights of the Steamer "FUJI MARU" I shall be glad to learn how this case stands.

It is observed that this vessel is under charter to the U.S. 8th Army, and should a further postponement be desired in this case I shall be glad, in view of the fact that the limit in question expired so long ago as November last, to receive your comments on the further postponement.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
YOKOHAMA.
